## *From the* **PRESIDENT**

Can you believe we're at the end of another year? I certainly can't! Each year at this time, I talk about making New Year's resolutions to play racquetball to help you achieve your goals of better health, weight management, etc.

This year I am asking that you do something specific for deserving Illinois racquetball players. Please make a New Year's resolution to nominate one deserving Illinois racquetball player to the ISRA Hall of Fame. This past year, we inducted Dave Negrete, a recognition long overdue. There are several other players, both old and new, who belong in our Hall of Fame. The only way they can get there is by being nominated.

All current ISRA members will be receiving an e-mail that includes the criteria for nominating someone to the ISRA Hall of Fame. Please read it and act. You never know, that future Hall of Famer could be you!

Enjoy the holidays, and we'll see you on the court in January.

## **Nancy's Future Contribution to Women's Racquetball**

Evelyn Vogt Kronenfeld arrived on 11/1/11 at 11:01 p.m.! Her parents are Scot and Kacey Kronenfeld. Beginning stats: 7 lbs 14 oz and 20 inches. Evelyn is Dave and Nancy Kronenfeld's first granddaughter after four grandsons. Nancy relates, "Of course, she is absolutely gorgeous! I was actually there when she was born. My daughter-in-law asked if her mom and I wanted to be there, and it was amazing!"

## **ISRA Mourns Loss of Barry Dixon, Sr.**

Barry Otha Dixon, Sr., 66, passed away on November 19, 2011, in Chicago, IL. He was born on March 21,

1945, in Cincinnati, Ohio to Otha and Mary-Lou Dixon. Barry is survived by Mary, his loving wife of 45 years; a brother; and four children including Barry, Jr., daughter-in-law Jennifer and grandchildren Jeremy and Sarah Dixon who are ISRA junior players. Barry Dixon, Jr., takes this opportunity to reflect on racquetball memories of his dad:

"Hello ISRA members and staff. On behalf of the entire Dixon family, I would like to thank the racquetball community for the outpouring of support regarding the passing of my father, Barry Dixon, Sr.

"Barry Sr. was a racquetball lifer. He began playing in the early 1980's and around the same time he introduced me to the game, and we started playing at the Naper Olympic Club. From there it was the Western Sports Mall in Cincinnati, and then we came full circle when he moved back to Chicago in 2000, playing at the Glass Court and finally ending up with the guys at L.A. Fitness in Naperville.

"Senior always talked a big game and loved to compete, but at the end of the day it was the camaraderie that kept him coming back. He enjoyed coming to tournaments, cheering me on along with others and making sure Eric Battaglia always played his best.

"Barry Sr. also would come to JTI to help with the kids and watch his grandkids play. The night before his surgery we had three generations of Dixons playing cutthroat and it was agreed upon that when he was healthy, he and my son Jeremy would play a doubles tournament together. But it was not to be...

"However, the love and passion

he had for the game will continue in our family. The time we spent together on the court will always be cherished. Senior was a gamer, a character and best of all, my father. I will miss you, Dad."

**Tournament Directors:**

**Dan Jaskier and Cheryl Kirk**

On this beautiful fall day when the frost of late autumn was thankfully still a number of weeks away, 37 players spent parts of their Saturday at Glass Court honing their doubles skills for the season to come. It was good practice for those planning to attend the US Open the following week, with competition offered in Men's, Women's and Mixed Mixed Open/A as well as Men's B/C.

Dan and Cheryl repeated the successful format of the Glass January one-day event with the women

# SLAM IT FOR SUSAN!

The Lattof YMCA began Breast Cancer Awareness Month holding the *Fifth Annual Slam it for Susan*. As in the past it was a night for remembering Susan Mertes and all the other women who have and have not survived their fight against breast cancer. But this year was really special as we also had several breast cancer survivors who attended. Tina Hernandez was one of them – she couldn't play yet as she has one more chemo treatment left, but she vowed she'll be back on the court when we hold this event next year!

Pink was the order of the evening! Pink Hope Balls were donated by Wilson Sporting Goods, and pink wigs were donned by Janet Leet, Margaret Hoff, Dee Carroll and Nancy Kronenfeld at the check-in table. Jordan Kahn managed to snatch one of the wigs and played in it all evening! Janet Leet, Gretchen Michaely, Margaret Hoff, and Dave and Nancy Kronenfeld were checking in all the players and giving them goodie bags stuffed with many treats including a Susan G Komen shirt.

Challenge courts were set up for Men's Doubles, Women's Doubles, and Mixed Doubles. Art Michaely was working the courts, making sure everyone got in lots of playing time in either the advanced or intermediate divisions. Dave Negrete volunteered to string racquets and made a generous donation to the

Susan Komen Foundation from what he collected that evening. Thanks to Wilson Sporting Goods, Susan Komen Breast Cancer Foundation, Mike Davern, Dave Kronenfeld, and Dave Negrete, there were plenty of items donated for the auction. Also, huge thanks to Rick Colletti for donating awesome pizza from his restaurant Coletti's. Rick has been so generous every year at this event.

When the night was over \$2,500 was raised with \$1,500 donated to the Su-

san Komen Breast Cancer Foundation and \$1,000 to the Lattof YMCA in memory of Susan Mertes. I am very grateful for the support we received from all of you this year — this is a very special event that I would love to continue as long as you will all come out to play. SO I HOPE YOU'LL BE BACK NEXT YEAR FOR THE 6<sup>th</sup> ANNUAL "SLAM IT FOR SUSAN"!

# GUDINAS EXCELS

## at Pan American Games

The US Team traveled to Guadalajara, Mexico (October 14-30, 2011) to compete in the Pan American Games. This is the biggest sporting event that includes racquetball and occurs just every four years. Making the trip were Alex Ackermann, Rocky Carson, Chris Crowther, (Illinois' own) Cheryl Gudinas, Rhonda Rajsich, Aimee Ruiz, and Shane Vanderson, along with US Team Coach Mike Guidry and USA Racquetball Executive Director/Team Leader Jim Hiser. Our team earned seven medals: one gold, two silver, and two bronze in the individual divisions, plus a silver medal each in the Men's and Women's Team Competition.

Just a few days after returning from the US Open in Minneapolis, Gudinas traveled to Guadalajara with the rest of the US Team. She captured the bronze medal in the women's individual competition, one of five the US Team earned there in Mexico.

Cheryl recalls her reflections going into the Opening Ceremonies at Omnilife Stadium on October 14: "As we waited in the tunnel to be announced as Team USA, tears filled my eyes and my mood went from jovial to melancholy. I turned to Jim Hiser and said, 'You know, this is the 18th straight year I have been doing this.' He told me, 'Enjoy it. It could be your last Pan Ams.' I started to wonder if I will be too old to try to qualify for Toronto 2015, knowing what a struggle this year has been with my injury. [Fellow US Team member] Aimee Ruiz noticed that I was, all of a sudden, quiet. She asked why. I told her, 'You just never know if this will be your last one.'"

*Team USA's Cheryl Gudinas, Aimee Ruiz and Rhonda Rajsich  
Photo courtesy of USA Racquetball*

On her overall experience, she continued, "I have competed in all four Pan American Games in which racquetball has been included, spanning 18 years, capturing silver once, gold twice, and now, the bronze. Of all the teams I have been on, I had the most fun at this event. I told Aimee Ruiz and Rhonda Rajsich that I could see the three of us getting together in 30 years and still having a great time reminiscing about this trip. That's how much I enjoy and appreciate them for what they do and bring to me as an athlete and a friend. This trip truly made me remember what I have worked so hard for all these years, how proud I am to be an Ameri-

can, and how I blessed I am to have the best friends, coaches, and support system in the world. I am rejuvenated about the game, learned what I need to do to improve, and am happy with my performance in Mexico."

Cheryl provided an update on her current status after surgery for a torn meniscus: "PT is going well. I recently began training with my strength and conditioning coach from

when I was #1, with the goal of playing in Canoga Park on January 6<sup>th</sup>. I have some discomfort after harder training sessions, but no pain when I am actually training. I am told this is normal and to be expected...the outlook is good. It is an exciting time for me as I attempt to improve my game and conditioning again. I may not be 100% yet, but my goal is to finish the season and get my ranking back to where it was before!"

# HALLOWEEN CLASSIC

**Forest View Racquet Club  
Arlington Heights  
October 29, 2011  
Tournament Director:  
Dave Negrete**

The Halloween Classic was a great day of racquetball that started at 9:00 am ended at 9:00 pm with a tiebreaker doubles match in the Men's Open/A Doubles. George Pappas and Brent Huff emerged as winners of that match to take top honors. The event was also highlighted by some excellent play by Alok Mehta who won the Men's Open, Josh Cohen who captured the Men's A, and Matt Reeser who earned the title of Men's B Champ. All of the above are Rip It Racquetball students — the hard practice and lessons paid off!

The tourney was a big success and doubled in numbers from last year. Due to the great turnout, the singles featured regular draws with dropdown consolation divisions. In those scenarios, NIU student Eric Mathews won the Open, Ryan Fosco took the A's and Cari Mory took home first place in the B's. Singles concluded around 5:00 pm and the doubles kicked in with a round robin format. Diane and Frank Bunker teamed up to win the Open/A Mixed division; taking the B/C honors was the team of Ranferi Salgado and Jose Alberto Acosta.

Special thanks to Jim Thurber and the Forest View Racquet Club for

their continued support of the one-day shootout series. Also, a big thanks to Diane Bunker and Julie Vincent for their support at the desk. Additional gratitude goes to Julie for making the Sloppy Joes and pasta and to Diane for the additional goodies!

Once again the Gearbox ball played ex-

tremely well and very consistently. Thanks to Gearbox Racquetball for their support of the event.

I really appreciate all the support and sportsmanship that you all exhibit at the tourney. That is what makes these one-day events fun and competitive.

# GEARBOX WOMEN'S

## One Day

**Presented by Gearbox Racquetball  
December 3, 2011  
Forest View Racquet Club  
Arlington Heights  
Tournament Director:  
Dave Negrete**

Twenty-five women participated in this round robin format event that offers a full day of play, showcasing, per usual, some great women's racquetball!

Liz Larimer won the C division in a closely played round robin. Liz plays out of Lifetime Fitness in Bloomingdale, and this is the one event a year that she gets out and competes...and compete, she did!

*Tim Doyle (center) stopped by to visit with Scott Fauque and Dave Negrete (and the women!)*

The B division winner was Buehler and Lattof YMCA representative Donna Albert. Donna is a veteran at this event, and she played some top ball in all of her matches. Karen Blair came out on top of the A division, defeating Mary Crambes in the playoff match. (Karen also was kind enough to bring custard from her Culver's Restaurant in South Elgin for all the players – a great treat!) Janet Eminger won the Open division, taking out the very tough Lynn Yeazell in the playoff round. Lynn made it to the playoff round by one point over Renee Roux and Diane Bunker in her pool. (Janet also made a great barbeque dish for everyone!)

The event was sponsored by Gearbox Racquetball, and each player received a Gearbox shirt and wrist bands.

My gratitude goes to all the ladies who brought a dish or snack and helped make the tourney a fun one (thanks for the Oreos, Lynne and Liz!). Also, special thanks to Scott Fauque who ran the tournament desk and kept order throughout the day. Last but not least, the event couldn't happen without the support

# The Kill Shot **KIDS CORNER**

The 2011-12 season is under way! Our juniors are already starting to develop their playing skills. Team Illinois meets on Sundays at Glass Court from 12:00 Noon until 2:00 p.m. Currently we have a nucleus of 15-20 junior players ages 12-15, and there's room for more in the age range of 6 years to 18 years old.

Included in this quarter's publication are announcements and application forms for anyone who would like to sign up. We typically go November through March as a formal program. We will encourage our juniors to participate in local tournaments. We are also considering attending some out-of-state events in Missouri and Michigan.

**Many thanks to the ISRA** for sponsoring the Illinois junior racquetball program at the Annual Golf Outing. The Board and many of our members are very supportive of our juniors, and it is greatly appreciated.

## Player Profile

### Jeremy Dixon

Jeremy is a 13-year-old attending the 8th grade at O'Neill Middle School. He has been playing racquetball as long as he can remember. He is currently sponsored by Ektelon and has played in juniors tournaments for the past 4-5 years. He is planning to start playing in adult divisions soon to help develop his skills. He has played three years in the National Juniors Tournament with impressive results including a first place medal! Besides racquetball, he enjoys travel baseball and plays contrabass clarinet in the school band. He is a gentleman on the court and a truly great kid. We wish him luck as he develops as a solid player and sportsman.

## Lend Your **SUPPORT**

Your membership in the ISRA has helped make our organization second to none. Though we strive to make improvements to build and grow the sport for future success, we sometimes struggle to keep our heads above water as an organization. Our focus is not for the purpose of monetary gain but to generate enough funds to give back quality, first-rate programs, tournaments and events we can all be proud to participate in. Our volunteers who donate their time and/or money are greatly appreciated as are those who advertise in this ISRA Newsletter. For as little as \$25 for a business card size ad, we can help get your name out there to let everyone know what you do; for \$150, we can run your ad on a full page. Help Us Help You by getting your ad into the next ISRA newsletter.
